

# Data Science Day 2026 Travel Information

**Event time:** Saturday, October 17th, 2026, 8:30 am to 5:30 pm

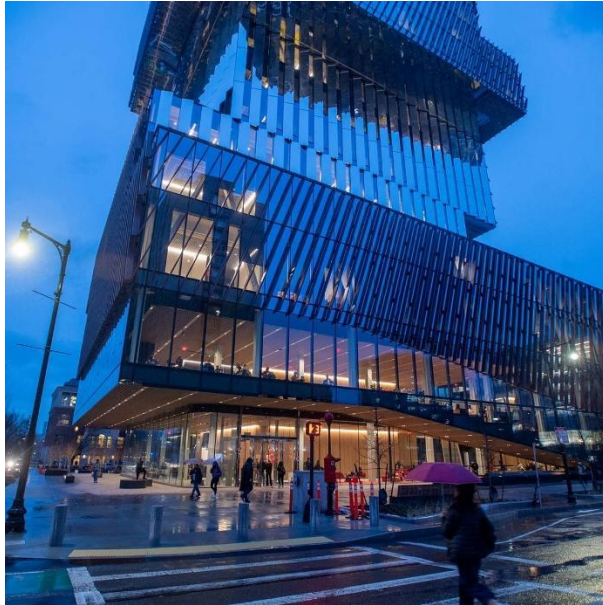

## Event location

**Duan Family Center for Computing & Data Sciences (CDS), 17th Floor**

Boston University  
665 Commonwealth Avenue  
Boston, MA 02215

About the building:

## How to get to campus

The CDS building (the distinctive 19-story "Jenga" tower) is on BU's Charles River Campus, directly across from Warren Towers (700 Commonwealth Ave).

- By subway (MBTA): take a Green Line "B" train to the **BU East** stop — the CDS building is directly in front of the stop.

## Parking

Publicly available BU visitor lots are located near Agganis Arena and Kenmore Square. October 17th is a Saturday, so weekend rates apply — roughly \$14 per day per vehicle (fees subject to change).

- **Agganis Arena Lot/Garage** — 925 Commonwealth Avenue (enter behind the building via Buick St or Agganis Way). Weekend maximum daily rate: \$14. Height clearance 6 ft 6 in; 4 EV charging spaces.
- **Langsam Garage** — 142 Gardner Street. Weekend maximum daily rate: \$14. Height clearance 8 ft 2 in; 4 EV charging spaces.
- **Kenmore Lot** — 549 Commonwealth Avenue. \$14 flat on weekends, paid via the PayByPhone app or website (lot location #41962). Note: vehicles must exit by 6 pm, and the lot is unavailable during Red Sox and other event black-out periods — the Agganis or Langsam garages are the safer choice for a full-day event.
