

Discipline Policy

Good discipline in the bandroom is a must in order to have effective rehearsals. If students are not playing their instruments, they are not being productive and learning. In order to maintain a positive classroom environment, the following steps will be taken when a student displays improper behavior:

1. First Offense - The student receives a warning (name on the board), then a step if a check is added (Step 1 on step plan). Name only on the board 3 times over 5 classes will be a step.
2. Second Offense - The student receives a consequence appropriate to the behavior, such as lunch detention or parent contact (Step 2 on step plan).
3. Third Offense - The parent/guardian will be contacted and an after-school detention will be assigned (Step 3 on step plan).
4. Fourth Offense - The student will be sent to the office with a conduct referral (Step 4 on step plan).

Students that exhibit exemplary behavior and go above and beyond the call of duty may earn "Good Time Tickets" that may be turned in for various rewards.
