To print, select FILE above, then PRINT from dropdown menu

1-1/2 pounds sharp cheddar cheese, grated  
1/2 pound of Velveeta  
3 ounces cream cheese, softened to room temperature  
1 teaspoon seasoned salt  
1/4 to 1/2 teaspoon garlic powder, or to taste  
Drop of Liquid Smoke, or to taste

Warm ingredients over a double boiler or low heat, until cheeses have melted and ingredients are well combined. Put into storage container to cool and set. Portion as needed. The cheese rolls were 6 ounces I believe - this recipe would be four of those rolls.

#### Garlic Cheese Roll Substitute II

1 (8 ounce) jar of original Kraft "Cheez Whiz"  
Dash of garlic powder  
Dash of seasoned salt (I like Morton's Nature's Seasons).

Melts beautifully, and no one has noticed the difference in my green bean casseroles, always the big hit at my table.

#### Garlic Cheese Roll Substitute III

3 ounces of Velveeta  
3 ounces of smoked cheddar, grated  
1 teaspoon of garlic powder

For the cheese grits, we just stir all these ingredients into the grits. Or, you could melt these 3 ingredients together, let cool slightly, roll and wrap in plastic wrap and store (freeze) until needed.
