

Lactation Counselor (DC)

About Sweet Bee Services:

Sweet Bee Services is dedicated to revolutionizing women's healthcare, specializing in high-risk pregnancies and providing integrated, collaborative care to families across Maryland, DC, and Virginia. Our mission is to empower new parents with the support they need to thrive on their parenthood journey while combating maternal mortality.

The Role:

Sweet Bee Services is seeking a Lactation Counselor to provide expert lactation support to our clients in DC. As a member of our dedicated team, the Lactation Counselor will play a pivotal role in empowering breastfeeding parents with evidence-based education, guidance, and support.

Core Responsibilities:

- Provide one-on-one lactation counseling and support to clients, addressing breastfeeding challenges and concerns.
- Conduct comprehensive lactation assessments and develop individualized care plans to support breastfeeding goals.
- Offer evidence-based education on breastfeeding techniques, milk supply, infant feeding cues, and more.
- Assist with latch and positioning techniques to promote successful breastfeeding.
- Collaborate with healthcare providers and other members of the care team to ensure coordinated care for clients.
- Maintain accurate documentation of client interactions and progress in accordance with practice standards and HIPAA regulations.

About You:

This role is perfect for you if you bring:

- Passion for supporting breastfeeding families and promoting maternal and infant health.
- Strong communication and interpersonal skills, with a compassionate and empathetic approach.
- Commitment to evidence-based practice and continuous learning in the field of lactation support.
- Ability to build positive and supportive relationships with clients and colleagues.
- Flexibility and adaptability in responding to the diverse needs of breastfeeding families.

Qualifications and Work Requirements:

- Certification as a Lactation Counselor (CLC) or International Board Certified Lactation Consultant (IBCLC).
- Minimum of 1+ year experience providing lactation support in a clinical or community setting.
- CPR certification (required).
- Willingness to work in the DC area.

Why Work as a Lactation Counselor at Sweet Bee Services:

- Make an impact: Work with families during a crucial phase of their parenthood journey, promoting maternal and infant health.
- Collaborative environment: Join a team of passionate healthcare professionals dedicated to transforming reproductive and maternal healthcare.
- Flexible scheduling: Set your own hours to accommodate your lifestyle and commitments.
- Competitive compensation: Receive competitive pay based on your credentials and experience.
- Opportunities for professional development: Participate in ongoing training and education to enhance your skills and knowledge in lactation support.

Sweet Bee Services is committed to creating an inclusive and supportive workplace where all employees can thrive.
