

SPRING DIGITAL CITIZENSHIP RESOURCE

Dear Families,

Springtime is known for sunny days, fresh flowers and new beginnings. This season is a wonderful time to revisit commitments, and open up new conversations around digital wellness practices. Our district partners at *Common Sense Education* continue to provide schools and families with resources to grow healthy habits and skills needed to use technology safely and responsibly in school, at home, and beyond.

Throughout the year we spotlight digital citizenship themes and topics for our schools and families to engage in through conversations and learning opportunities. We invite you to explore these topics each season with us or visit [Common Sense Media](#) to support the needs of your student(s) and family.
