**Update on 7/8/24: Astro has publicly posted a document that was written in response to this one. If you'd like to hear his side, it will be available here:**

**☰ Astro's conclusion to false allegations**

This document contains all the evidence against **Seth/Astro/Astronomical Chaos/XDDCC/Seth Nova Star/Espeon**, currently aged 18, who has shown romantic attraction towards a minor, who is between the ages of 13-15. The identity of any minor or any other party, aside from Astro, will be concealed.

**Astro** is the owner of the TADC wiki, while showing their birthday, as shown below:

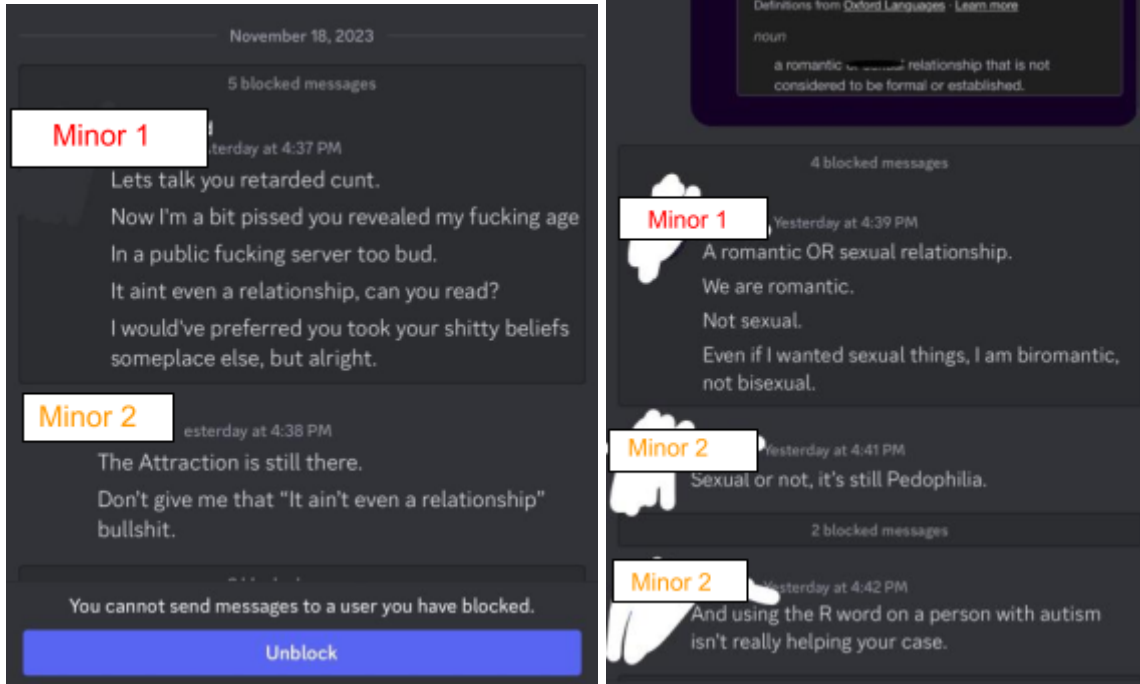

This is for awareness purposes. It needs to be made clear to **NOT** go attack ANYONE who is mentioned in this document. While the contents of it is serious, it may cause more harm to directly confront them with the intention to intimidate.

**Content Warnings:** Romantic attraction towards a minor, slurs, and foul language.

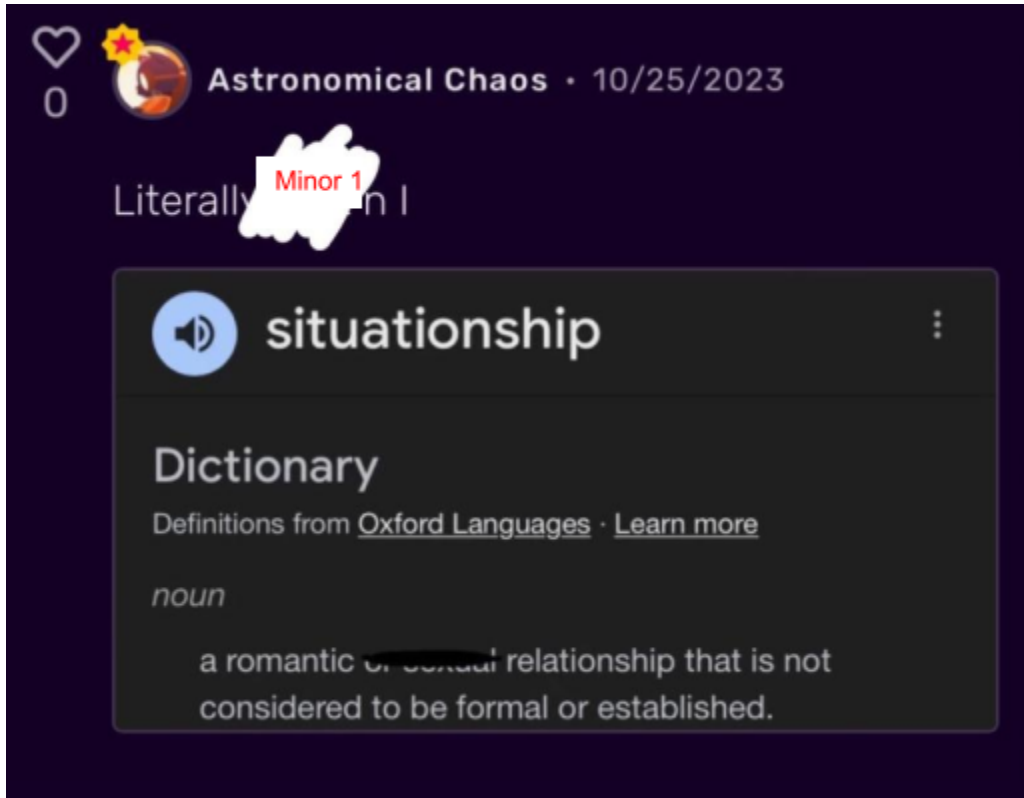

### **Legend:**

- **Minor 1, M1 (between the ages of 13-15)**- Minor that **Astro** was seen having romantic attraction towards, with the minor reciprocating it. This is Minor 2 in the other doc.
- **Minor 2**- Individual who was messaged by Minor 1 in regards to them spreading these allegations. **Minor 2** has a rocky history with **Astro** (check the *Astronomical Chaos Official Public Accusation Report* document for context.) This is Minor 1 in the other doc.

- **Minor 3**- Individual shown in a screenshot that **Astro** sent. This is Minor 5 in the other doc.
- **Redacted 1**- Individual who was seen defending **Astro** when **Astro** was confronted by **Redacted 2**. This is [REDACTED] 19 in the other doc.
- **Redacted 2**- A now-former TDC staff member who publicly confronted **Astro** in the TADC wiki server. This is Minor 34 in the other doc.

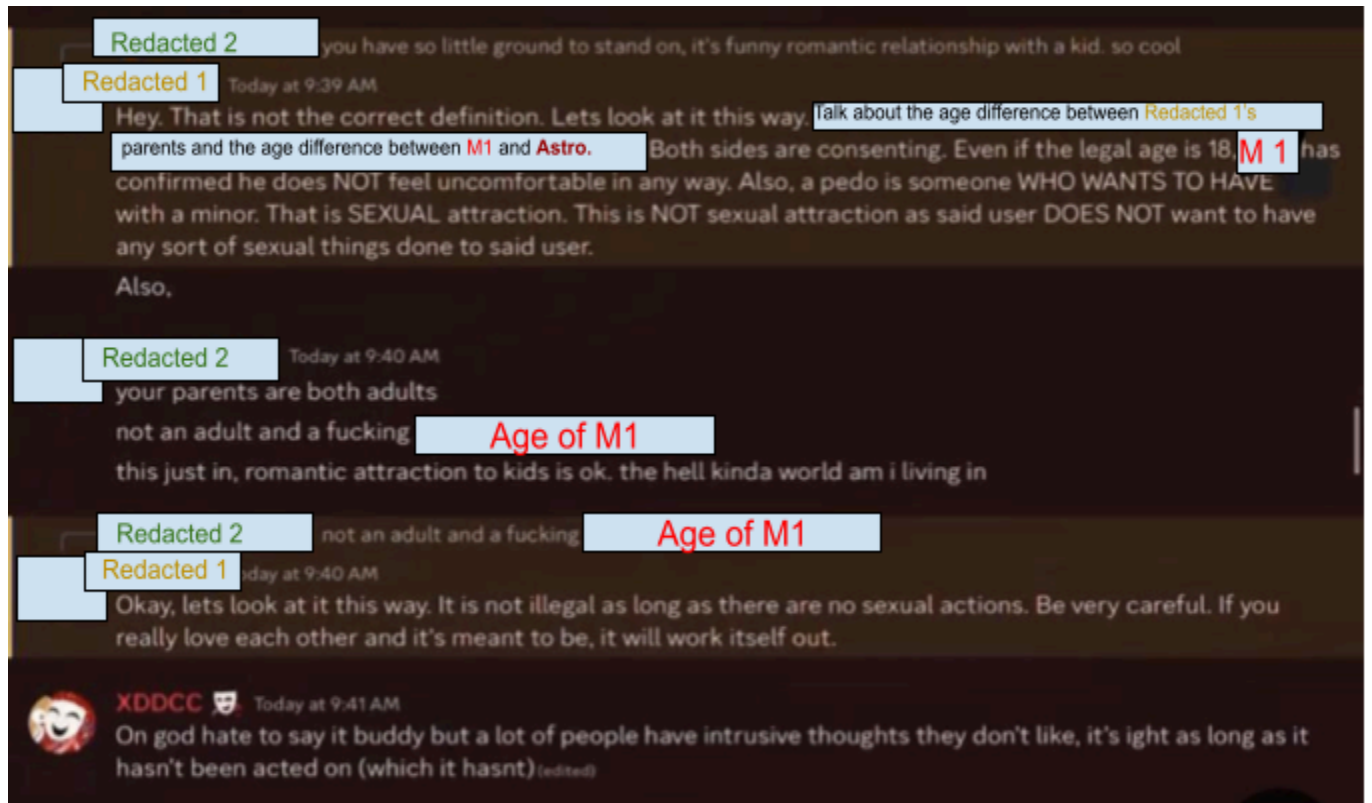

In these images, **Minor 1** talks to a user, which we will refer to as **Minor 2** for privacy reasons. **Minor 2** called out **Astro** for having some kind of romantic attraction towards **Minor 1**. In the images, it can be seen that **Minor 1** refers to their "situationship" as **romantic**, which is still vile considering **Minor 1** is between the ages of 13-15, and **Astro** is 18. As of writing this document around the date of 11/19/23, these screenshots were taken recently.

Here, **Astro** can be seen admitting to having a "situationship" with **Minor 1**. Regardless of whether the relationship is romantic or sexual, it can be seen as morally wrong for an 18 year old to be in a "situationship" with a minor between the ages of 13-15.

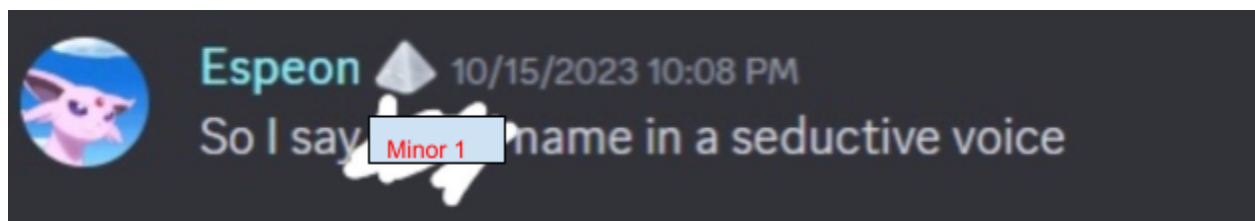

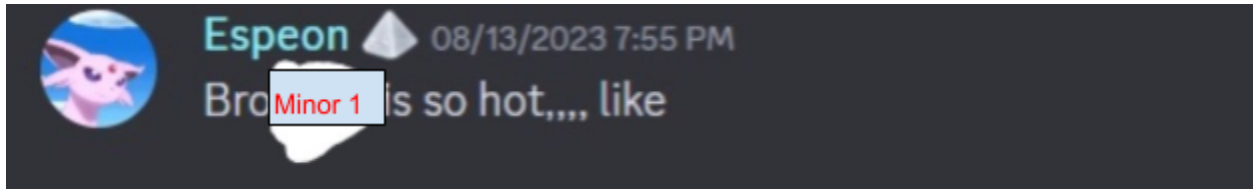

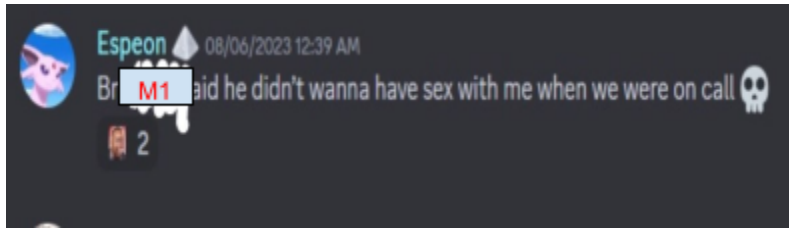

Redacted 2, a former TDC staff member, joined the TADC wiki server to confront **Astro**, who is **XDDCC**. In retrospect, they should have privately confronted **Astro** instead and maintained a more calm attitude. Redacted 2 also revealed the real age of **Minor 1**, and that is a fault that the TDC staff takes responsibility for. We have opted to use an age range as a result. **Astro** is seen showing the true definition of pedophilia, along with a screenshot from **Minor 3** mentioning the romantic attraction Astro had towards **Minor 1**. It's true that is the definition of pedophilia, and more accurate terms will be used to reflect that.

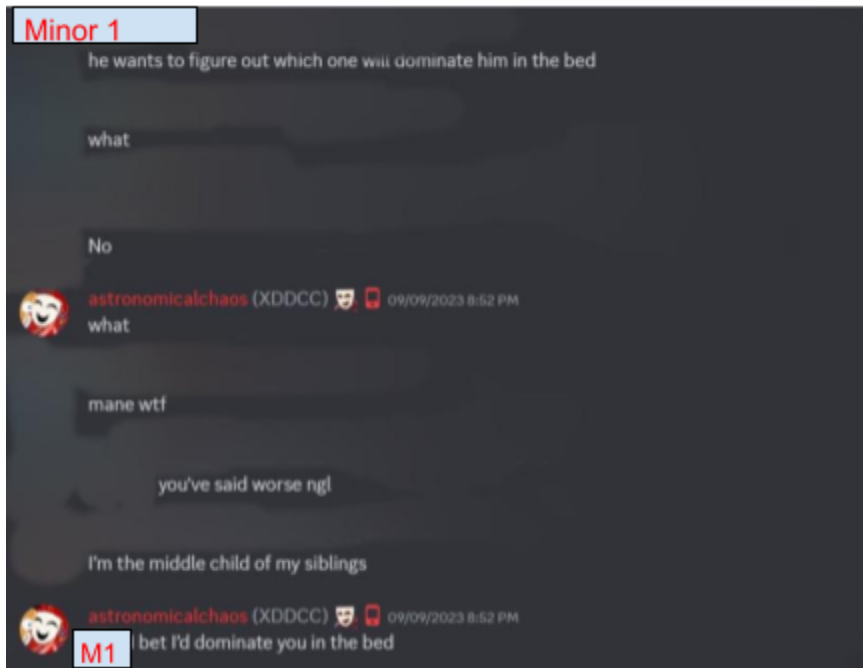

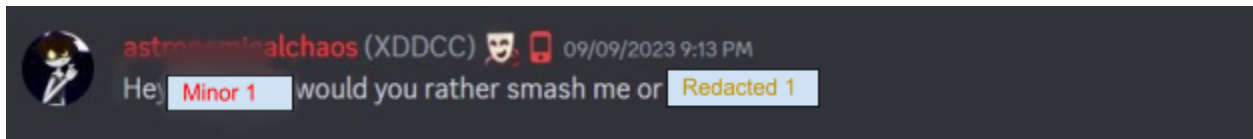

Soon after, **Redacted 1** came in defense of **Astro**. They are comparing the “situationship” of an 18 year old and a 13-15 year old to their parents, who also have an age difference. This is not a viable comparison. Both situations are extremely different from one another, considering both parents are consenting adults. **Redacted 1** also mentions how **Minor 1** is “comfortable” with **Astro's** interactions and that this isn't “illegal” as no sexual actions have been committed. While the dynamic between **Astro** and **Minor 1** isn't illegal, the morality of it can be debated on.

**Espeon** is also **Astro**. In the three screenshots below, **Astro** makes some statements directed at **Minor 1**. The first one **Astro** is 18, as his 18th birthday was on 9/19/23, while the last two are from when he was 17.

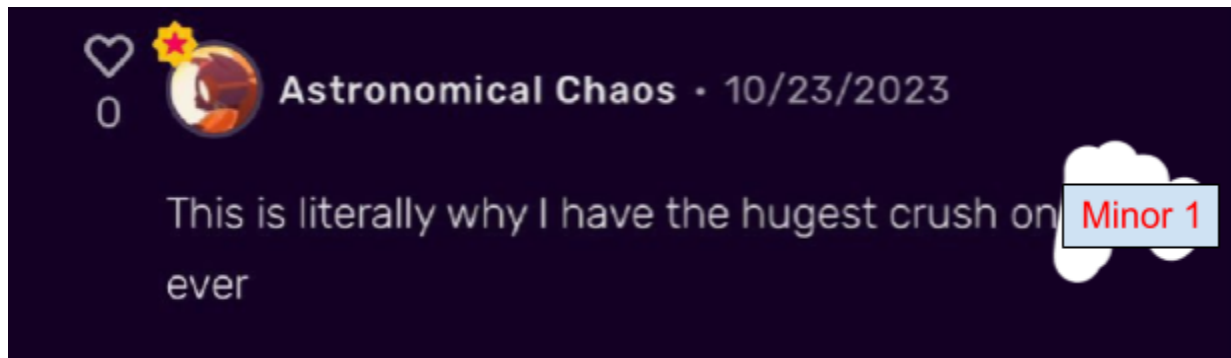

This screenshot shows **Astro** (17) speaking directly to **Minor 1** and asking if they'd rather smash them or **Redacted 1**, who was seen defending **Astro**.

And in the screenshot above, the message "he wants to figure out which one will dominate him in bed" was said by **Minor 1**. In response, **Astro** (17) says that "**Minor 1's** name, I bet I'd dominate you in bed." It must be kept in mind that all of these messages were sent on 09/09/23, only ten days before **Astro's** 18th birthday. While that means both parties are minors here, this is still extremely odd to say on **Astro's** part.

This image was also found to be on a thread in the TADC wiki. Here, the minor's name is once again censored, but **Astro** (18) is shown to say that he has a crush on them.
