

An Evening With Authors- Eric Walters, Sigmund Brouwer and Shane Peacock

Who: Open to all EIPS Parents, Students and Staff.

When: September 26, 7:00 PM

Where: Sherwood Heights School

[Eric Walters](#), [Sigmund Brower](#) and [Shane Peacock](#) are famous Canadian authors whose books have been a hit with all kinds of secondary readers, including reluctant readers.

Recently, Orca has published the [Seven Series](#), which is a series that has 3 (sub) series for a total of 21 books written by 7 Canadian authors. All the HI-LO books link to each other, but are different. It was this series that originally peaked our interest in having the authors out t our district...For more informaiton about each of the authors and resources for their books, here is a [Teachingbooks.net resource list](#).

All EIPS students, parents and staff are invited to attend their presentation and Q and A at Sherwood Heights.

Although there is no formal registration for the event, if you or a group from your school is planning on attending, please email me and let me know. This will help with planning for the evening.
