

玉苒廈之書沉思語錄

A Thought to Ponder from The Urantia Book

Nature

“This bread of life which I give to all who will receive is my own living and combined nature. The Father in the Son and the Son one with the Father — that is my life-giving revelation to the world and my saving gift to all nations.”

[153:2.12 \(1711.4\)](#)

本性

「我授予所有願意接受之人的生命之糧就是我自己鮮活的且結合的本性。父在子內，子與父合一 — 這是我給世界的授予生命之啟示，也是我給萬國的救贖禮物。」
