(UM id: 7085630)

Dear Sir,

Thank you for your email. The Ministry of Foreign affairs can inform you, that according to Danish legislation it is not possible to seek asylum in Denmark from outside the country's borders.

People outside Denmark can neither seek asylum via a Danish diplomatic mission (embassy or consulate general) nor by sending a written application to the authorities in Denmark.

Thus, the Ministry of Foreign Affairs cannot process your request for asylum.

We advise you to contact the nearest UNHCR regional office for further guidance. You may wish to seek recognition as a refugee by the UNHCR with whom you may discuss the possibility of resettlement in another country.

For more information about seeking asylum in Denmark please visit the link below:

Good day,

Thank you for your inquiry regarding Canada's refugee system.

Our office does not take asylum applications directly.

· If you wish to be considered for the Government-Assisted Refugee program,

you will need to contact UNHCR in your area (Pakistan or Afghanistan.)

· If there is a group or organisation in Canada willing to sponsor you, you can apply under the Privately-Sponsored Refugee program.

· If your sponsoring group requires assistance to sponsor you, they may inquire about the Blended Visa-Office Referral Program.

More information about all three is available on our website. Please see the right column and choose your language. Information sheets are available in Dari and Farsi.

Note: You must be outside your country of nationality to apply under Canada's refugee program.

These are the first steps. If you are accepted by UNHCR or find a group or organisation in Canada to sponsor you, your sponsor may make an application for your permanent residence in Canada. Your application will be examined to ensure you are eligible under the Convention Refugee or Country of Asylum class. If you are determined to be eligible, you would then undergo security, criminality, and medical checks.

You will find Frequently Asked Questions about Canada's refugee resettlement program at the bottom of this page.

Thank you for your interest in Canada.

Sincerely,

Hello Pastor Paul,

Thank you for contacting us and sharing about your ministry. It is a great encouragement to us to hear about your passion to help your own country and share the gospel.

In these days of a global pandemic, need for help has multiplied. In fact, requests for support have overwhelmed us even from known, long-term ministry partners. As we endeavor to steward well what God has entrusted to us, we are applying our resources toward projects that we believe can have the greatest impact through our existing network.

Of course, the need far exceeds what we can address and this why we are always encouraged to hear about what the local church and Christian ministries like you are doing all over the world. Please know that we uplift the global church in our prayers and trust He will supply what you need to do what you are called to do.

Thank you again for your inquiry. May God give you good health, joy, and provision in these challenging times.

Warmly,

Karen Eagle

Hello Pastor Paul,

Thank you for contacting us and sharing about your ministry. It is a great encouragement to us to hear about your passion to help your own country and share the gospel.

In these days of a global pandemic, need for help has multiplied. In fact, requests for support have overwhelmed us even from known, long-term ministry partners. As we endeavor to steward well what God has entrusted to us, we are applying our resources toward projects that we believe can have the greatest impact through our existing network.

Of course, the need far exceeds what we can address and this why we are always encouraged to hear about what the local church and Christian ministries like you are doing all over the world. Please know that we uplift the global church in our prayers and trust He will supply what you need to do what you are called to do.

Thank you again for your inquiry. May God give you good health, joy, and provision in these challenging times.

Warmly,

Karen Eagle
