GENEVA RUN CLUB - ROUTES

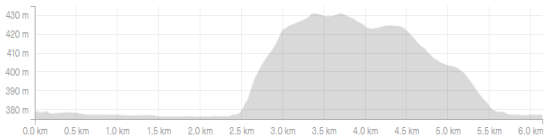

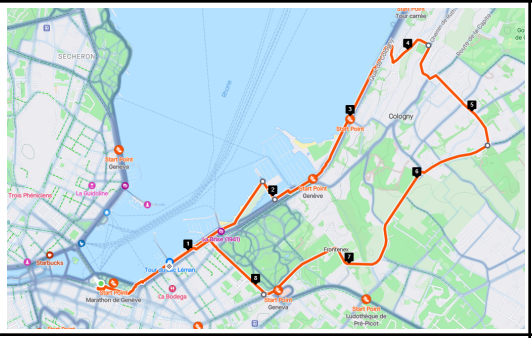

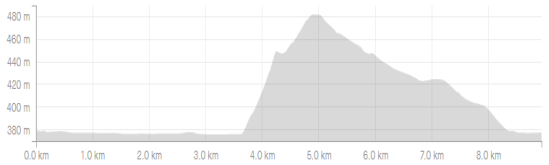

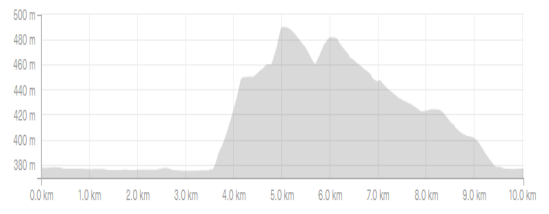

Meeting place: Flower Clock, 7pm, ready to run (no bag drop)
Winter bar: Big Ben, Rue du 31 Décembre 26, Eaux Vives, from 8pm

Most of us run one of these routes, usually starting out together and during the first couple of km, naturally finding a pace with a couple of others.

Most people run straight to the bar after the run, but some go back to the Flower Clock e.g. to collect their bike or complete the loop or a certain distance.

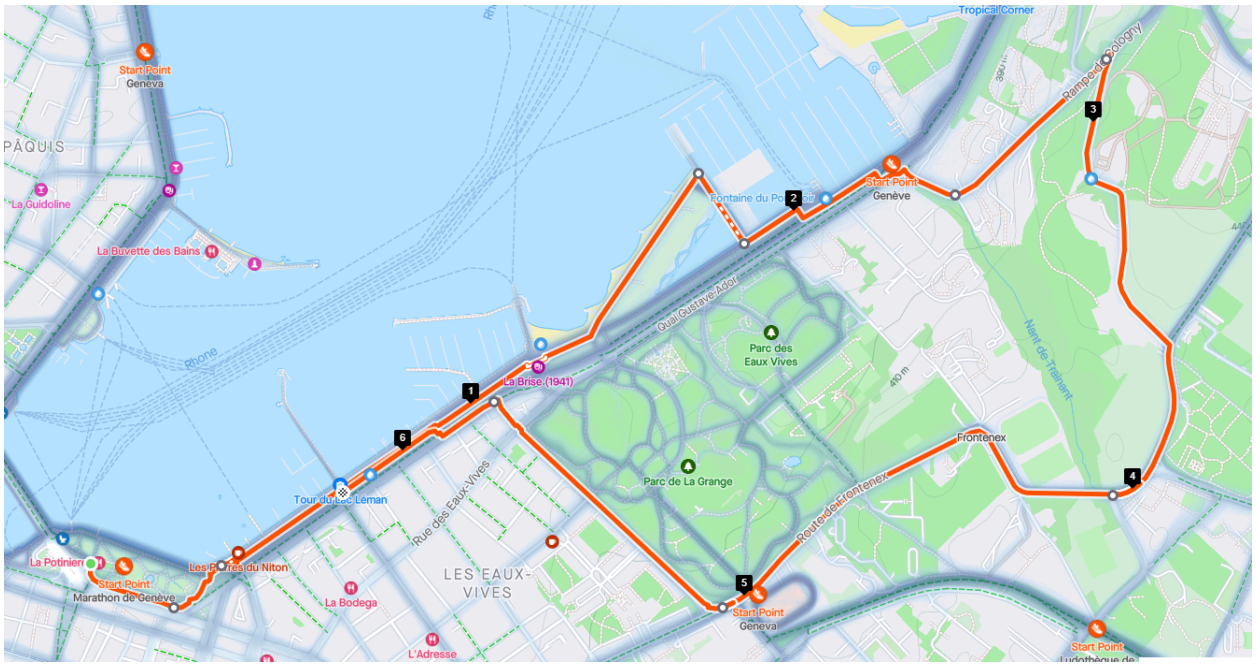

Below are some suggested routes, however please do what's right for you! E.g. running any distance along the lake and back, intervals or hill repeats, or going for a walk and meeting us after for a drink.
