Dear Business Owner:

Greetings from the Colchester High School Track and Field Team! This spring brings another opportunity to work hard, have fun, and compete. We are scheduled to host two home meets this season. We have booked 802 Timing to provide electronic timing services for both of our home meets. This is an important part of running a fair, accurate meet; it is also costly. We are coming to you to help us defray the cost of electronic timing.

Let's be clear: we are not asking for a donation. Both of the meets (5/10 & 5/25) we are hosting involve several very large teams. We are anticipating between 300-400 athletes and many more spectators to be in attendance. This is a great opportunity for your business to get some exposure. Here is what you will get for your investment:

\$100: your business will be mentioned as a sponsor over the PA system several times during the meet. If you provide us with a logo electronically, we will add that to a meet schedule that will be provided to spectators.

\$200: your business provides us with a sign that will be hung up in a very visible area around the track. In addition, your business will be mentioned as a sponsor over the PA system several times during the meet.

Feel free to reach out to us with any questions that you may have.

Head Coach Jeremy Hammond: [jeremy.hammond@colchestersd.org](mailto:jeremy.hammond@colchestersd.org)

Please make checks out to CHS Track and Field.

Thank you for your time and **GO LAKERS!!**

CHS Track and Field Team
