Title: David: God Always Wins the Battle!

David's Superpower: Strength

"Be strong in the Lord and His mighty power."
Ephesians 6:10

Crafts:

Pipe Cleaner Superheroes

Hey there super fans! Grab some pipe cleaners, straws, beads, felt scraps, wiggly eyes, and a few other craft supplies and make your own bendable, posable superhero! You can make up your own super scenarios and your bendy hero can save the day! Have fun being creative and see how many super designs you can make!

Here is the link with directions to make pipe cleaner superheroes!

Defeat the Giant Marshmallow Shooter

David knew that all his strength came from God! Even though he was young, he was the only one brave enough to go up against Goliath! He didn't need armor or a sword, he used five small stones and his handy sling. You can practice your marksmanship with a plastic cup, a balloon, five small marshmallows (now we wouldn't really want anyone to get hurt…) and a fun Goliath printable.

Find the easy directions and the Goliath printable here and Defeat the Giant like David!

Painted Cross Rocks

Here is some inspiration for even the littlest crafters! Go for a walk and gather up some smooth stones. Use paints and markers to decorate your stones with messages of hope, love, and faith. Use your stones as gifts for friends and relatives or hide them around town for others to find! Be creative and come up with your own design, or try this simple painted cross rock design.

Find the directions for painted cross rocks here.

Activity:

Make and Use a Sling Like David's
This activity requires ADULT SUPERVISION and is not for the very young! Using a piece of fabric or leather, some paracord or twine, and a pair of scissors, you can make your own sling to use like David's! Adult help is needed to make and to learn to use the sling. Please practice with a ping pong ball, small bean bag or bouncy ball. This video will help you with directions and show you how to use your sling.

Click here to watch the video and make a sling like David's.

Family Video: Here's a fun, short video to help kids understand the story of David and Goliath. The link will take you to Right Now Media, which Harvest Chapel has purchased for everyone to use free!

David

Recipe:

Superhero Pizza Party

Here are some great ideas for making your own superhero pizzas at home! Use your favorite pizza dough recipe, or just buy frozen cheese pizzas and decorate them to represent your favorite hero.

Captain America: Use pepperoni, mushrooms, and cut a star shape for the center out of a slice of cheese.

The Hulk: Cover your pizza with green veggies! Green peppers, chives, okra, broccoli, even brussels sprouts!

Iron Man: Create a mask using pepperoni, cheddar cheese and mushrooms for the eyes.

Black Widow: Cover the center of your pizza with sliced black olives and create an hourglass shape in the center using diced tomatoes.

Thor: Make the handle of Thor's hammer out of any veggies you have on hand, such

as peppers, and use slices of ham or canadian bacon for the top

What other super pizzas can you design? Have fun tasting your creations!

SING!!!!

Only a Boy Named David - a fun song about David and Goliath
