

Clever Parent Guide

How to log on	Students will go to www.clever.com and log in using their NCS Google account. 
How will my child use Clever?	Clever is a website your child will use to access other online platforms. Once they log into Clever, they can access Dreambox, Brain Pop, Brain Pop Jr., and Discovery Education. They will click on the app to go to that platform. 
How can I help my child on Clever?	Students may need help putting in their NCS Google account information at first.
