Username and Passwords

Each District 58 student and staff member is issued a standard district email address and password. Student email addresses follow the format dg123456@students.dg58.org, with the 123456 being unique for each student. If you do not know your child's username or password, your teacher, school office, or the technology office can provide it for you.

Google Account

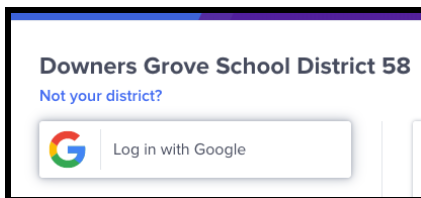

Each District 58 student and staff member has a Google Account. This account can be accessed using the email address and password referenced above. This Google Account is used to sign into email, Google Drive, Clever, Google Classroom, Chromebooks, and various other services.

Logging into Clever

Many District 58 resources can be accessed via the Clever Single Sign on portal. Clever can be accessed by navigating to <https://clever.com/in/dg58> (You can also find it on the District 58 website.) Each District 58 iPad has a shortcut to the Clever website on the home screen that looks like the one pictured to the left.

If Students and Staff are not signed in, they will log in with their Google Account, but tapping or clicking the "Login with Google" button.

Students and Staff will sign in with their Google Account. This will bring you to a list of apps that you have access to. Apps may vary based on grade level, but may include Seesaw, IXL, Dreambox, BrainPop, Big Ideas, TCI Science, iQWST/Activate Learning, Learning A-Z, and others.
