Housing and Apartment Search Guide

We know finding housing is an important part of preparing for your arrival at UCM. While the university cannot recommend a specific off-campus apartment or housing company, we are sharing trusted resources to help you explore your options.

The locations listed below are popular with UCM students, but you are welcome to search in other nearby areas as well.

The locations listed below are popular with UCM students, but you are welcome to search in other nearby areas as well.

Popular Housing Areas

Lee's Summit

- Visit the Lee's Summit Chamber of Commerce – Relocation Information
- View the 2026 Community Guide & Membership Directory (located at the bottom of the page)
- The apartment directory can be found under Real Estate, Moving and Storage – Page 85

Overland Park

- Explore apartment listings through the Overland Park Chamber of Commerce – Apartment Information

Warrensburg

- UCM On-Campus Housing (available to eligible students)
- Warrensburg Chamber of Commerce
    - Select the category: Real Estate and Rentals

Transportation Planning

Please note that public transportation is limited in Warrensburg and Lee's Summit. Many students:

- Own a vehicle
- Share rides or carpool with classmates
- Use university or local transportation options

Planning transportation early is strongly recommended when choosing where to live.

Travel from MCI/KCI Airport

To travel from Kansas City International (MCI/KCI) Airport to Lee's Summit, Overland Park, or Warrensburg, you may use:

- Agenda Shuttle
- Uber or similar ride services

Other Transportation Options

- RideKC – Regional transportation services
- Amtrak – Train service to select destinations

Local Transportation for UCM Students

- **University Shuttle**
  - Travels between Warrensburg and Lee's Summit
- **Night Ryder** (Warrensburg only)
  - Available after you receive your UCM Student ID

Planning your housing and transportation now will make your transition to UCM smoother and less stressful. If you have questions, our team is happy to help guide you to the right resources.

Welcome to UCM, we look forward to seeing you soon!
