## What will my dog do in Daycare?

Your dog will get to socialise and play with other dogs as well as our well trained and caring staff. Dogs that stay at Doggy Dips enjoy regular walks around the South Oxfordshire countryside come rain or shine. And on that note, should your dog get a little muddy we will be glad to give them a shower so that they come home clean. Please note that if your dog has had a shower whilst in our care we will aim to dry them as best as we can, though they may be wet when you collect them/ they are dropped home.

Your dog is fully insured for the period that he/she is in our care.

## The technical bits

Costs are chargeable from the booked in time and not the time your dog arrives and similarly, should you pick up your dog later than the time they were booked until, this time will be chargeable. If we pick up your dog this will take place between 8.30-9.30am unless otherwise arranged. Drop off back home will be between 13.00-14.00 (RG4 9 postcodes only) and 16.30-17.30. Times outside these hours may be available at additional cost. If you require a pick up/drop off service when you are not at home, we will need to hold your house key for which a disclaimer must be signed. All dogs using services at Doggy Dips must have up to date DHLPP and 'Kennel Cough' immunisations.
