

Former Barcelona coach Xavi Hernandez rejected the offer to recruit AS Roma.

Italian media Corriere dello Sport reported that AS Roma, who recently dismissed Daniele De Rossi, offered Xavi a recruitment offer, but was rejected.

AS Roma doesn't seem to be very popular. Spanish media El Mundo Deportivo reported that although Roma ultimately appointed Ivan Juric, their coach Francesco Caputo and Stefano Pioli were also under consideration. However, the three coaches have not shown any commitment to take charge of Roma, who only garnered six points from five matches since the opening of the season. [메이저놀이터](#)

Coach Xavi took office as Barcelona's coach in November 2021 and led the team to victory in La Liga in the 2022-2023 season. However, after being criticized for his unstable performance after the 2023-2024 season, he was dismissed for referring to the team's poor financial situation because he touched the back of Barcelona President Joan Laporta.

Xavi stepped down as Barcelona manager after the end of the 2023-2024 season and is currently a FA.
