We need your help for mulch delivery on March 8!

Our mulch fundraiser is one of our biggest fundraisers of the year and we **need your help** to get our orders delivered!

Parents, we need a few more delivery drivers (aiming for 7 or 8). **Students**, we have just opened up more slots as student delivery passengers (students who will ride with a driving parent and help unload bags of mulch at their delivery sites) – there are more options to sign up than in class earlier today!

Mulch delivery is an **“all hands on deck”** day – we can’t get mulch to our patrons without you. We need adults to drive AND students to help load/unload mulch – the sign up link is [here](#).

Please see the itinerary for this Wednesday’s Pre-UIL / Music for All Sendoff Concert

Ms. Turner posted the itinerary for our concert this Wednesday – please note the staggered schedule, especially with our **four** performing groups. If you have any questions, please do not hesitate to reach out.

Interested in joining the Student Leadership Teams next year?

Even though we’re still firmly in Spring 25, we are continuing to lay the groundwork for success in the 25–26 school year. A **huge** part of that are our various Student Leadership Teams: Marching, Officer, and Logistical Leadership

If you are interested in band student leadership in **any capacity**, please plan on attending our Leadership Information Seminar on March 11, 2025. (Yes, it’s on the calendar!) We look forward to seeing you there!
