

Gallery Walk Teacher Check-List

Student Name: _____ Date: _____

Instructions:

Observe each student during the Gallery Walk and check the appropriate boxes based on their performance. Use the "Notes" section to record specific examples or evidence for each criterion.

Understanding:

- ☐ Actively engages with the prompts or materials at each station
- ☐ Demonstrates understanding through various strategies or representations
- ☐ Identifies areas of confusion or misconceptions
- ☐ Makes connections between different concepts or ideas
- ☐ Can explain key learnings or takeaways

Notes:

Collaboration:

- ☐ Listens attentively to group members' ideas and perspectives
- ☐ Contributes thoughts and ideas to group discussions
- ☐ Provides respectful and constructive feedback
- ☐ Supports group members in understanding challenging concepts
- ☐ Works collaboratively with the group to complete tasks

Notes:

Engagement:

- ☐ Remains focused and on-task throughout the activity
- ☐ Shows interest and curiosity in the prompts or materials
- ☐ Asks questions or seeks clarification when needed
- ☐ Actively participates in discussions and activities at each station
- ☐ Manages time effectively to complete tasks

Notes:

Overall Observations and Feedback:

By using this checklist, you can systematically assess each student's performance during the Gallery Walk and identify areas of strength and areas that require additional support. The specific examples and evidence recorded can inform your instructional planning and provide targeted feedback to students.

Remember, this checklist serves as a formative assessment tool to help you monitor your students' progress and adjust your teaching strategies accordingly, ultimately promoting a deeper understanding of the concepts being studied.
