

It's time to do something *My Way*,
Because *That's Life*.
And I'm *Feeling Good*,
Mainly because life can *Fly Me To The Moon*.

I am still *A Man Without Love*,
But in the end *It's A Wonderful world*.
Even when *The Sky Is Crying*,
I can still *Sing, Sing, Sing*.

So why not *Take Five*,
I mean, *So What?*
Life is not all that *Twisted*.
It's time we do something *At Last*

I get it we're *Stardust*,
And life may seem like *It Don't Mean A Thing*.
So why not *Cast Your Fate To The Wind?*
Enjoy life like it's *Summertime*.

We live in a *Lush Life*,
So go on and *Take The A Train*.
Even if it's *Round Midnight*,
Life is still a *Strange Fruit*.

It is still *A Beautiful Day*.
Even on this *Cold December Night*.
So why not live in *La Vie En Rose?*
After all *Life Could Be A Dream*.

Kindred; Lamb and Wolf

"The first step toward getting somewhere is to decide that you are not going to stay where you are." -Unknown

Everything in italics are real jazz song names just FYI
