Every weekend I go to traditional market with my mom. There are many things I can see in the traditional market. There are lots of vehicles in the parking lot, such as cars, motorcycles, bicycles, and pedi cabs. My mom usually buys vegetables such as; carrot, tomato, onion, garlic, spinach. Fruits such as mango, apple, banana, watermelon, and melon. She also buys daily needs at one of the grocery in traditional market such as; 20kg rice, 1kg of eggs, milk, tea, coffee, sugar and butter. I like shopping in traditional market. It is complete and the price is cheaper than the price in the supermarket. I can bargain the price but there is one thing I dislike.
