CARBONDALE MIDDLE SCHOOL

Palabra Semanal Abierta En Español

Our Carbondale Middle School family comes together to support each other in times of need. 5th Grade Teachers organized a community meeting for their students to write, create and share get well wishes with Ms. Kelly, who is recovering from recent health procedures. 5th Graders colored and wrote messages on paper flowers, creating a huge bouquet. We hope Ms. Kelly is feeling the love because everyone at CMS - students, staff, families, our community - is here for her and her sons.

From Mr. Logan...

Dear Families and Guardians,

Thanks to those of you who attended the Infinite Campus/Schoology Family Education Events last week. If you weren't able to attend and you'd still like to learn how to use these tools better, please reach out to the front office or to me directly so we can train you.

Next week marks the beginning of our ACCESS testing window for English Language Learners. ACCESS provides a standardized measurement of academic language proficiency for students learning English throughout the state of Colorado and in other states. If your student is an English Language Learner, see this [letter](#) for more information about the assessment.

Counseling Corner

An effective way to set goals can be to set **SMART** goals. SMART is an acronym for a framework for setting goals that are clear, achievable, and trackable. When setting SMART goals, you can consider your strengths and capabilities, and do a self-evaluation of what you can achieve.

Example of Goal Setting:

Let's consider an example. If your student's goal is to improve grades in a specific subject, like math, it can be broken down like this:

Specific: I want to improve my math grade by 10 points.

Measurable: I will track my progress with each test and homework assignment.

Achievable: I will attend after-school tutoring twice a week, complete all homework on time, and review class notes regularly.

Realistic: Given my current study habits and resources, a 10-point improvement is achievable.

Timeline: I aim to achieve this goal by the end of the semester.

Setting and working towards goals can be a transformative experience. By following these tips and seeking support when needed, your student can make the most of their middle school years and feel prepared for a bright future.

If you have any questions or would like to discuss goals further, please don't hesitate to contact us. We are here to help!

From Ms. Porter, Dean of Culture...

As you previewed above in the weekly calendar, we have started a **Reading Tree at Carbondale Middle School**. Here is how it works!

1. Students obtain a **'leaf'** when they accomplish one the following achievements:
 - 🌿 Read a book
 - 🌿 Complete a level in Lexia
 - 🌿 Read Live: Pass A Story
 - 🌿 5 Reading IXL Skills of 80 or more
2. Students request a **'leaf'** from their RAM Time or ELA teacher, fill it out, and drop it in the reading tree box in the office. If it was a book, they write a three sentence summary on the back of the leaf.
3. Each leaf counts towards **color team points!**
4. At the end of each month, we pull three leaves from the box and those students will **earn a prize**.
5. Finally, leaves will be **posted on the tree** in the foyer 😊

Carbondale Middle School's parent group is excited to announce a *delicious* fundraiser to support our students' field trips! Coming this February, we are partnering with Integrity Fundraising and Mrs. Field's Cookies to offer a variety of ***mouth-watering cookie dough flavors*** that will bring smiles to your family and friends.

Order forms will be distributed to students in early February and orders will be delivered in mid-March.

Our goal is to have each student sell 3 packages of cookie dough. Stay tuned for more details!

Contact Katy Nardecchia, knardecchia@gmail.com, for more details or to help with coordinating the fundraiser.
