Oak Hills Local School District is moving to an online process for Kindergarten Registration beginning with the 2025-26 school year.

Parents/guardians can register their kindergarten students by visiting the Oak Hills Local School District website at [ohlsd.us](https://www.ohlsd.us) and clicking on the Registration Link in the top bar of the website or click the Enrollment tab in the menu on the left side of the page.

After you have completed the online registration process, you will be contacted by your child's school later in the spring with additional details.

There will be a separate "Meet the Kindergarten Teacher" event in August, where students will receive their T-shirts. Assessments will be conducted during the first few weeks of school, it promises to be an engaging and enjoyable time for our incoming kindergarteners. We are looking forward to meeting our newest Sparky Dragons!

Dear Springmyer Families

If your 3rd, 4th, or 5th grade child is struggling with homework and needs help at home, consider pointing them to Varsity Tutors for help. The Varsity Tutors Platform, supported by Ohio Dept. of Education & Workforce Development, OHLSD, and Springmyer gives your student more opportunities to learn at their own pace. It's helpful to have someone to talk to about the questions you have or to see things in a new way. With the Varsity Tutors platform, students can reach out to an expert in the subject or skill they're learning. Whether it's homework or a new hobby, they can request a chat with a tutor 24/7.

To log in:

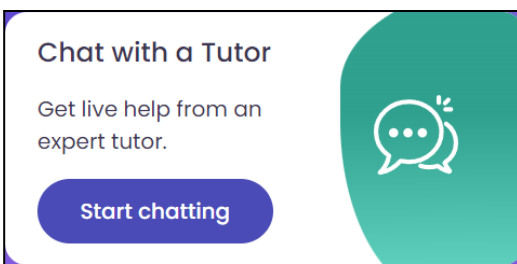

1. Visit <https://clever.com/in/ohlsd/staff/portal>

2. using your @ohlsd.org email address

- 3.

- 4.

We're very excited about our partnership with Varsity Tutors and the resources it allows our students. If you have any questions please reach out!
