Instrumental Lesson Agreement

Student only

I, _____ understand it is my responsibility to attend my
(student's name)
assigned lesson time each week with my instrument, folder, and lesson book. I will quietly excuse myself from class at the correct time and walk quietly and respectfully in the halls. I will bring my instrument to school and take the instrument home that day so that I can practice throughout the week. I understand that instruments are NOT supposed to be kept at school throughout the week. Finally, I will always try to do my best.

Parent/Guardians only:

We understand that in order for our child to perform in the concert(s), he/she will need to attend weekly band lessons during school, as well as evening band rehearsals. We will make every effort to assist our child's attendance (excused absences from school will not affect lesson attendance and will not count as missed lessons or rehearsals).

We also understand that in order for our child to be prepared for each lesson/rehearsal, he/she will need to maintain a weekly practice routine (4-5 days a week is highly encouraged), and we will make every effort to assist our child in achieving this goal.
