

## **SL: No Social Media?**

Hey [name],

For some reason, it's impossible to find you guys on Instagram, Twitter(X), or basically any other major social media.

Is this something you are struggling with managing or working on?

By leveraging social media it will be a lot easier for you to bring new clients faster and easier if you have a good following.

If you need help with setting up and growing social media, I can help you.
