Metropolitan Impact Chair

Committee Description

The Metropolitan Impact committee was developed as a way for Scholars to give back to the community. The chair will organize events and initiatives for Scholars so they can give back to the community. You will be the link between your committee members, the Leadership Advisory Board, and campus offices relating to metropolitan impact. Being part of the Leadership Advisory board means that you are willing to work and collaborate with the other Scholar committees, so you can develop events that will be both fun and beneficial for the Scholar Community.

Duties of Committee Chair

- Attend LAB meetings and report on information related to your committee.
- Communicate within LAB to ensure everyone is on the same page.
- Adhere to Scholar ByLaws
- Oversee the Metropolitan Impact committee, holding regular meetings and ensuring members have a say in programming
- Develop service oriented programs and civic engagement initiatives
- Partner with the Student Engagement Coordinator of Civic Engagement and the Office of Metropolitan Impact
- Promote Committee planned events through advertising and social media
- Actively engage within and outside of the designated committee.
- Organize monthly committee meetings and promote them for increased engagement of other Scholars.
