# **STOP BILL C-51**

## **United We Stand, A Canada-Wide Rally**

**NEW!** We've launched a "proper" website! [www.StopBillC51.ca](http://www.StopBillC51.ca)

**WE ARE LIVE @ [www.stopbillc51.ca](http://www.stopbillc51.ca) ! PLEASE SHARE!**

***Information below may be Out of Date. Please visit the website above.***

Bill C-51 is coming up for its third and final vote in the House of Commons when Parliament resumes on April 20th. April 13, 2015 will be "[A Week of Education To Stop Bill C-51](#)" as a final big push before the big vote. ProtestCanada is calling on all concerned Canadians and groups to culminate this week with another show of solidarity in opposition against Bill C-51 on April 18, 2015.

It is **extremely important** to understand that this is not a single group's rally. Though the call comes from ProtestCanada, it is an attempt to facilitate the gather of various organizations - not an attempt to label ownership on this movement. ***This is your rally.***

The following locations are already hosting rallies and need your attendance and support!  
**A grassroots rally like this needs your help to promote it. Please tweet, share, email, poster, leaflet...anything to spread the word! [www.tinyurl.com/stopbillc51](http://www.tinyurl.com/stopbillc51)**
