

## PUC: WINDOWS OF OPPORTUNITY

1. CANVA LINKS FOR TAO OF MARKETING DIAGRAMS IN FAQ'S CHAT FROM PROF. ANDREW
  2. @RONCOLLEI Made \$1000 from using google ads on his clients business  
Ill try this as i usually go for facebook ads
  - 3.@meonal making money via "scripting" ill research what this is to see if i can hope on this!
  4. I need to use the sunday ooda loops chat tomorrow they seem to be good at reflecting on my week
  - 5.accountability roster has lots of stuff to learn from others success and mistakes
  - 6.thye "smart student" channel is a place i slept on , found out that rainmakers names are green, also the mindset needed to reach there thanks to @miguel escamilia lesson.
  - 7."How much are you willing to pay for it" automatically drastically lowers your chances of landing them.
- Put yourself in a position of a business owner.
- Imagine someone reaching out to you, and asking you "Do you want a website. How much are you willing to pay for it?"
- Would you respond?
- Be honest.
- Found this in the business 101 chat
8. A very good top player analysis from @simo hauri
  9. Tates TRW only stream im listening too as i speak
  10. Copy review channel has lots of feedback and examples of good, bad and in the process of becoming great
