Please use the directions to the library below as your reference.

From I-75 North: take exit 87, turn right onto ECU Bypass; turn left onto Lancaster Avenue; turn right onto University Drive (there is no light at the intersection of Lancaster and University). The library is the second cluster of buildings on your right as you enter University Drive. A beautiful, very old brick building with elaborate windows anchors the front corner of the Libraries Complex. The entrance to the library is set back from the street, off the little grassy area and where the large glass window begins.

ECU will allow us to use the employee parking lots! They will not charge us on Sunday. I have attached a map showing where you can park. The two lots at the bottom left of the map are the ones that will have the best access. **The one on the bottom right is the Lancaster lot and will probably be the most convenient.** You can cross the road via the pedway bridge, which has an elevator. After you cross the street the Library is the 2<sup>nd</sup> building on the right.
