

Vol Ayres

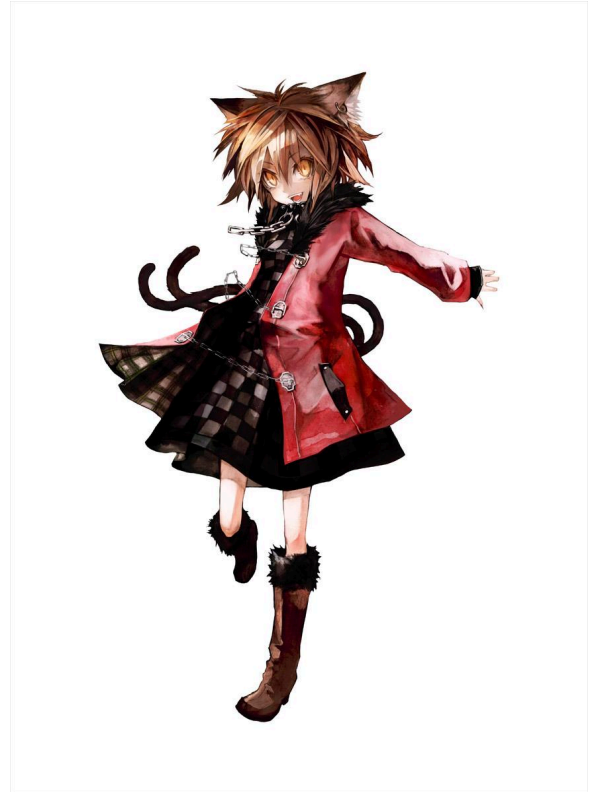

Normal attire:

Vol often wears a long-sleeved dress with a black and white checkered pattern on it under a red leather coat with a furred collar. For footwear, she wears a pair of brown leather boots that are cuffed with black fur.

While not part of her attire *per se*, she has cat ears, one of which is pierced with a silver earring, and two cat tails. These are don't really do anything, but they're the result of a magical practical joke gone horribly wrong.

Personality:

Vol is peppy and cheerful most of the time! She walks with a spring in her step and always seems to be in a good mood. She can be pretty easily distracted by shiny things. She's known to have certain childish mannerisms, being a bit of a trickster, and takes pleasure in annoying people who are too stuck up. It's also good to know that she's very greedy and likes objects of high value. If you somehow manage to get on her bad side, she can be vicious and even a little sadistic.
