

AttentionNet Dataset

End User Licence Agreement (EULA)

By signing this document, the user agrees to abide by the following terms for using the dataset.

1.	Access	The user may only use the dataset after this EULA has been signed and returned to the dataset administrators. The user must print and sign the EULA, then scan and upload it on the Google Form. The user may not share the dataset with third parties. Only the principal investigator (PI) of the project can request the dataset.
2.	Commercial use	The dataset may only be used for academic research, not for commercial purposes.
3.	Changes	The AttentionNet dataset administrators retain the right to modify this EULA at anytime. Users will be notified of any changes and can opt out of the new EULA. Opting out will invalidate the previous EULA, resulting in the user losing their right to use the dataset.
4.	Distribution	Users are prohibited from distributing the dataset or any parts of it in any manner except for using small portions of the data exclusively to illustrate academic publications or presentations. Note: If doing so, users must cite the work. Follow article 6 (Publications).
5.	Misuse	If the dataset administrators have reasonable doubt that the user is not complying with this EULA, the user will be notified and immediately denied access to the database. In such a case, the user must delete copies of their created dataset.
6.	Publications	Publications include not only papers but also presentations for conferences or educational purposes. All documents and papers that report on research using the AttentionNet dataset must acknowledge this by citing the following paper: “ Verma, Dhruv, Sejal Bhalla, SV Sai Santosh, Saumya Yadav, Aman Parnami, and Jainendra Shukla. “AttentionNet: Monitoring Student Attention Type in Learning with EEG-Based Measurement System.” In 2023 11th International Conference on Affective Computing and Intelligent Interaction (ACII) , pp. 1-8. IEEE, 2023. “
7.	User Verification	Users must request the dataset using their affiliation’s email address and provide a link to a webpage that verifies their position in the affiliation and their email address.

8.	Warranty	The dataset comes without any warranty, and the AttentionNet dataset administrators can not be held accountable for any damage caused by the database.
