

Main asli mein asli hoon, no cap
Beaton pe jungli hoon, no cap
Dheeth hoon main sanki hoon, no cap
Karta main man ki hoon, no cap

Main asli mein asli hoon, no cap
Beaton pe jungli hoon, no cap
Dheeth hoon main sanki hoon, no cap
Karta main man ki hoon, no cap

Aaj kal yahan bohat se jan
Bhaunke milte hi occasion aye

No time, I got no patience
Tujhe chahiye jung
Bhej apni location ay
Mere gaane on rotation
Yeh soch se gareeb dedo donation ay
Desi hoon main south asian
Par skin colour lage jaise caucasian ay

No money, no conversation
Main to unavailable
Hamesha on vacation
Headshot agar confrontation
Inki topi bhi uda doon lage convocation

Back with it practising
Attack karoo main facts leke
Jaise activist accurate
Ravaging wrap in immaculate packaging
Karna calculate meri value hai challenging

Main maharathi lagun Narad hi
Bharti bhasha mein bars lage inke maha raddi
Karun flow jaise maha nadi Parvati
Sarathi ab kinare pe utaro meri aarti jai

Main often akela no orphan
Aur ghoomta nahi leke main
Sath mein bohat jan bohat jan
Yeh rappers YouTube pe hain hit
Par shows pe they don't sell
Tix jaise boston haan

Instagram pe aake karenge bohat baat
Asli mein jhaat barabar nahi inki aukaat
Maa kasam ch0d dala poori career
Diya hai inhein burial
RIP to your whole squad
Inki beef thi mazak then they sent me
Trigger dabaun and I squeeze till it's empty
Mere numbers huye double karein envy
Now I be living up in their mind
Woh bhi rent free haan

Main asli mein asli hoon, no cap, no cap

Mujhe dhamki na jamti hai, no cap
Tere favourite rapper ka mere jaisa na vocab
Body bag mein dalun lagega toe tag
Ghodi bhi bana doon lagoge shakal se bojack

Surgery gaanon pe kara hai maine murder hi
All these industry plants
It's feeling like a nursery
Verbally lete mera style kare burglary, perjury
Soche I'll get plaid jaise burberry

Mera impact rap pe hai in fact
Slay when I swing that
Wave mein main sinbaad
Big facts jab main spit karoo syntax
Real n I been that rule hai ye spin that

Bring that khol champagne bro
Aur poster lagenge jaise campaign ho
Yeh dost ab banenge bana fan page bro
Aur post ab karenge jaake 'gram pe roz

Hasta la vista na wasta na rishta
Khaas tha na last gaana paas tha na Kr\$na
Saarp zyaada ghaans kaat aa, raasta na dikhta
Khata na naashta na pasta na pizza

Eat emcees my pen breeds some envy
F in the chat, n I don't mean friendly
Your girl be dreaming of semen
While she be scheming
Word to talah & demon
Might pull up on you like agency

Funny how they poke me, lame bohat hi
Thinking that they'll smoke me, aim closely
Running with some pu\$\$ies like your name jaise josie
Yeh rappers lage sugar, no shane mosely haan
Itne bars to baar baar lage felony
Scope leke baitha bata kaun yahan Kennedy
Bohat saare beta mere sworn yahan enemies
Highway pe karo cruise tom ya penelope
