

Everyone, we need your help in tracking and finding a stolen brand new Nokia Lumia 1020 Windows phone for a big cash reward if tracked successfully and found.

The stolen Nokia Lumia 1020 cellphone that we need help tracking down and finding is a brand new cellphone that was obtained from Microsoft and not from a cellular carrier so it has no phone number.

The stolen cellphone does not also have a tracking software on it and it has not been activated yet. But, we have the IMEI# (serial number) for it, please check the detailed information mentioned below regarding the cellphone.

Thanks guys and let the hunt begins. Also please feel free to share this message with your friends and spread it.

We can be reached by email at eliteninjasclan@yahoo.com
