

Dress Code Policy

In keeping with the values of purity and integrity that CHC holds at heart, we have developed a dress code and other guidelines that we ask to be adhered to by each family. In this process, we desire to set forth a Godly example of purity and integrity.

- **No low-cut tops, bare midriffs, or sheer materials.**
- **No words printed on the seat section of jeans, pants, or shorts.**
- **No clothing with inappropriate messages, slogans, or pictures.**

If a student violates the dress code, they will be required to put on a sweatshirt or other covering as deemed appropriate.

Please sign below if you and your student agree to adhere to this policy.
