Tool	Engagement Description/Use	Helpful Links/Tutorials
ALL CONTENT		
TEDEd	Everything TED does supports learning — from producing a growing library of original animated videos , to providing an international platform for teachers to create their own interactive lessons, to helping curious students around the globe bring TED to their schools and gain presentation literacy skills, to celebrating innovative leadership within TED-Ed's global network of over 250,000 teachers. Help spark curiosity with your students through animations!	
Clarisketch	Have students take a picture of something, draw and annotate and talk on it, and share it with others.	Clarisketch for Teachers
Unimersiv	Unimersiv is the largest platform for VR educational experiences. By downloading our app, you will have access to multiple experiences that will let you learn about history, space or the human anatomy.	
SOCIAL SCIENCES		
Geogussr	GeoGuessr is a free geography game which takes you on a journey around the world and challenges your ability to recognize your surroundings.	
FactCheck.org	Monitors the factual accuracy of what is said by major U.S. political players in the form of TV ads, debates, speeches, interviews and news releases.	
MATH		
Desmos Activity Builder

Teacher Desmos | Activity Builder gives you the tools to build an online, interactive Desmos-based classroom activity. There are many premade activities to choose from, or create one on your own! (Math focus) | |

YouCubed	Critical thinking task-based mathematics resources.	
Math Manipulatives	List of Free Digital Manipulatives and programs. K-8th Grade	The Techie Teacher
Flipgrid	13 ideas on how to use Flipgrid in a Math Classroom.	How to Use Flipgrid in Math
ELA		
Read Theory	Free personalized reading comprehension exercises for K-12 and ESL students.	
Studysync	Educational curriculum for schools in English language arts, ELL, social studies and science. StudySync provides educators with an easy-to-use platform to deliver adaptable, interactive, and equitable learning solutions.	
NoRedInk	NoRedInk is an online web-based language-learning platform designed to help students in grades 4-12 improve their grammar and writing skills. The lessons are aligned to meet the Common Core State Standards Initiative and the curriculum students see is personalized according to their interests.	
Newsela	Engage students with thousands of texts on topics they care about most, with standards-aligned lesson supports built for ELA instruction.	Newsela Help
Inklewriter	Inklewriter is a free tool designed to allow anyone to write and publish interactive stories. It's perfect for writers who want to try out interactivity, but also for teachers and students looking to mix computer skills and creative writing.	Inklewriter Tutorial
