

A prayer to Saint Catherine of Siena for avoiding miscarriage

Humble Virgin and Doctor of the Church, in thirty three years you achieved great perfection and became the counselor of Popes. You know the temptations of mothers today as well as the dangers that await unborn infants.

Intercede for me that I may avoid miscarriage and bring forth a healthy baby who will become a true child of God. Also pray for all mothers, that they may not resort to abortion but help bring new life into the world. Amen.
