

MAT Admission Requirements

1. **MAT Admit form:** Complete the form by [clicking here](#).
2. **Proof of basic skills competency:** All proof of basic skills must be less than 10 years old. Below is the menu of choices for proof of basic skills competencies. **Please submit unofficial transcripts or a screenshot of the test for each basic skill competency below by emailing the proof to ldgreathouse@saumag.edu and cndobbins@saumag.edu.**

If you are near SAU and do not meet the basic skills through your GPA or coursework, then the most cost-effective test is the Accuplacer NextGen. Call the SAU testing center at 870-235-4145. If you are not near SAU, call any local community college or university to take the test. Be sure to take the correct Accuplacer exams. Contact ldgreathouse@saumag.edu or cndobbins@saumag.edu with questions.
