

Sorry

I have one problem here
I wake up, I come
I have a second problem here
I eat peaches, I come
I have a third problem here
I look at my cell and I come
I have a fourth problem here
You share a photo, I come

Yeah, yeah, sorry, sorry
Yeah, yeah, sorry, sorry
Yeah, yeah, sorry, sorry
Yeah, yeah, sorry, oooh

I have a fifth problem here
I see you, I come
I have a sixth problem here
You untwine your braid, I come
I have a seventh problem here
You take off your shirt, I come
I have an eighth problem here
Before you come I come

What would I give
for being able to hold it longer
I skip start
I stand right at the finish
You advised me:
Think of other girls
A little older
or with curled curves

Yeah, yeah, sorry, sorry
Yeah, yeah, sorry, sorry
Yeah, yeah, sorry, sorry
Yeah, yeah, sorry, oooh

I have a ninth problem here
I have it even if I don't look
I have a tenth problem here

You bite me and I come
I have an eleventh problem here
I apologize after every act
I have a twelfth problem here
Actually, it amazes me that she still wants to

What would I give
for being able to hold it longer
I skip start
I stand right at the finish
You advised me:
Think of other girls
A little older
or with curled curves
