

GOOD FRIDAY TENEBRAE SERVICE

The distinguishing features of Tenebrae are the gradual extinguishing of candles and lights following the reading of Scripture passages until the room is in complete darkness. This service focuses on the passion and death of Jesus with hands-on family-friendly activities. If you would like to participate at home, please let us know and we will supply you with a worship bag.

Friday, April 7, 6:00-7:00 PM

We will still have our Tenebrae service in the evening, but are again joining with other churches in town for a NOON time Good Friday service @ Life

Order of Service

Welcome

Call to Worship

Come to me, all you who sit in darkness
and in the shadow of death!
On you has the light shone!

**For Jesus Christ is the light of the world
and this is the story;**

**the light shines in the darkness
and the darkness could not put it out!**

Jesus said,

"I am the resurrection and the life.
I am the bright and morning star."

**We join with the angels in their hymns of praise;
Glory to God in the highest
and on earth peace, Alleluia!**

Christ is risen!

He is risen indeed!

COMMUNIO

Please plan on joining us following the worship service for a strategic planning session. Headwaters will provide hamburgers and hotdogs for lunch.

The SPS (strategic planning session) will be a strategic presentation to your congregation about the partnership that Headwaters has entered into with Communio. The more people who attend the better as the SPS will be a great time for your congregation to hear about the strategic framework and processes that Communio uses to draw people into your church and create connection with those who are not yet associated with the local church. This information will allow each individual person to see how they have a part to play in the process. We will also be going over the data that we collected from the survey that individuals took several weeks back as well as community data surrounding Headwaters so that your team can think through a strategic plan on how they can become more involved in building relationship with those who don't yet believe that God is Good and Loves them.
