[UPBEAT YET DRAMATIC THEME MUSIC PLAYS, THEN CUTS AS THE EPISODE BEGINS]

[AN AIRPORT. ARIADNE IS HEARD OVER AN EARPIECE ICARUS WEARS.]

ICARUS: I can't believe I'm just...running away.

ARIADNE: This is the right decision.

ICARUS: I'm doing exactly what Theseus did. Like a fucking coward.

ARIADNE: Like someone who wants to remain free to keep helping people. Nothing like him.

ICARUS: Yeah. Sure. Hang on, they have to scan my ticket.

BOARDING AGENT: Hold out your ticket, please.

[A BEEP, THEN AN ERROR CODE.]

BOARDING AGENT: Oh, let me try again.

[ANOTHER BEEP, ANOTHER ERROR CODE.]

BOARDING AGENT: Hmm. Please step to the side.

ICARUS: There shouldn't be any problem.

BOARDING AGENT: To the side, please.

ICARUS: But...I...okay.

[ICARUS MOVES.]

BOARDING AGENT: Someone will be with you shortly.

ICARUS: *[Under his breath.]* Ariadne?

ARIADNE: I'm working on it.

ICARUS: You did book the right ticket, didn't you?

ARIADNE: Of course I did.

ICARUS: From a legitimate site? Not a lemon?

ARIADNE: Act natural.

ICARUS: I swear if this is how I get caught-

THESEUS: Please come with me.

[BEAT. A SOFT CHIME SOUNDS.]

ICARUS: *[In shock.]* What the fuck are you doing here?!

THESEUS: *[Overlapping loudly.]* Good to see you, Icarus.

[THE EPISODE FADES OUT WITH A GLITCHY DING.]
