**Japanese invasion of Milne Bay thwarted. Japanese found executing prisoners of war. Page 8.**

**German submarine sinks RMS Laconia, killing hundreds. Page 6.**

**Government spokesperson says that there are no foreign agents in Cannala. Page 6.**

## **Ding Dong the Witch Is Down**

**Isabel Ponsati**

Cannalan Air Force reported today that they have successfully shot down the aircraft piloted by none other General Tereshkova of Forenian Air Force. Interception happened at 13:05 yesterday when Tereshkova squadron was spotted attempting to escort bombers. Lola Santángel has been credited of firing the Hellfire missile that hit the plane. More on page 2.

## **"We're back!" - Troops land on Forenia**

**Antoni Morató**

Our brave sons and daughters have once more landed on Forenian soil in order to strike fear at the heart of the Forenian war machine. After heavy fighting on the beaches, our special forces managed to infiltrate the lines and sabotage enemy installations. General Santiago was quoted saying "We are back and this time we are staying!" Page 4.
