Greetings!

The WCASD is excited to announce that the three high schools are now offering the convenience of online PIAA physical registration through FamilyID (www.familyid.com). We will not be accepting hard copies of the physical packet. FamilyID is a secure registration platform that provides you with an easy, user-friendly way to complete the PIAA required CIPPE form to participate in athletics, and helps us to be more administratively efficient and environmentally responsible. When you register through FamilyID, the system keeps track of your information in your FamilyID profile. You enter your information only once for each family member for multiple uses and multiple programs.

INFORMATION NEEDED TO REGISTER:

It will be helpful to have the following information handy to allow for accurate completion of your online registration.
