

Figure Watch Faces Privacy Policy

Our watch faces and apps do not collect, use or share any personal data.

No personal information is collected while using these watch faces or companion apps. Any sensor data information used in watch face complications is not collected, used or shared.

Privacy of children

We do not knowingly collect any Personal Information from children under the age of 18. If you are under the age of 18, please do not submit any Personal Information through the Mobile Application and Services. We encourage parents and legal guardians to monitor their children's Internet usage and to help enforce this Policy by instructing their children never to provide Personal Information through the Mobile Application and Services without their permission. If you have reason to believe that a child under the age of 18 has provided Personal Information to us through the Mobile Application and Services, please contact us. You must also be at least 16 years of age to consent to the processing of your Personal Information in your country (in some countries we may allow your parent or guardian to do so on your behalf).
