

## 2-2 Practice

In this lesson, you will watch Slagle Draw the shape below. Afterwards, you must draw figure B and figure C by yourself. Each drawing should be in its own part file but in the same document. The most important part of this lesson is making sure that all dimensions are present, correct, and in the correct location.

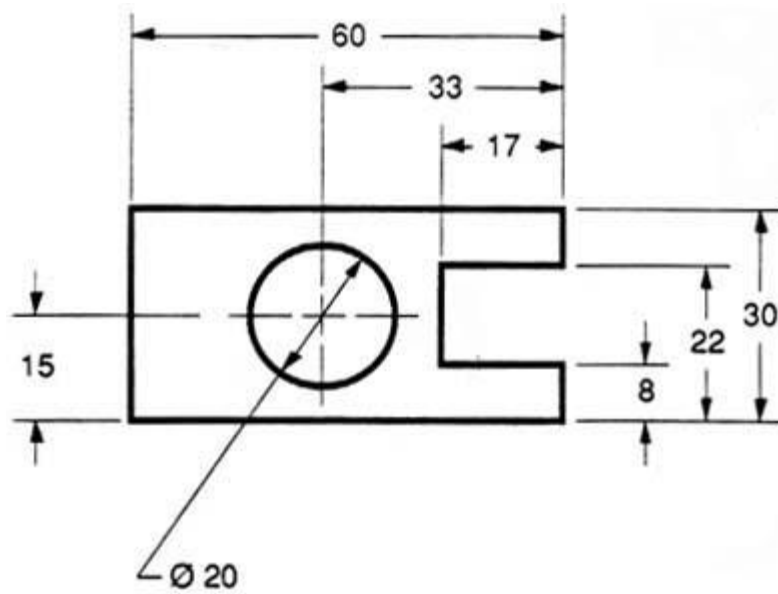

1. Watch Slagle Draw Figure A:

Figure A:

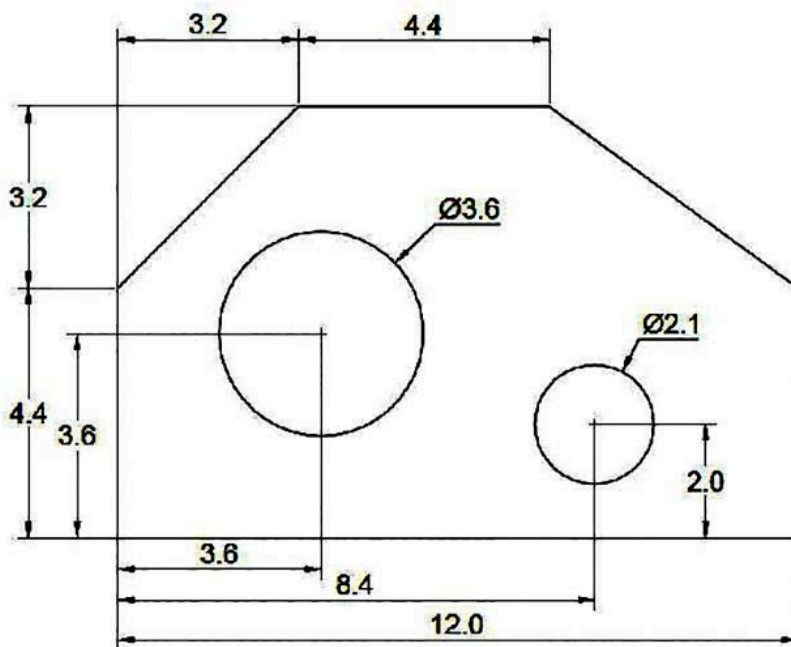

YOU DRAW!

1. Figure B:

AND

2. Figure C:
