🫧✨ THE NANNY CHALLENGE ✨🫧

A sitcom to Sims 4 rags to riches challenge inspired by "The Nanny" (1993)

Goal: Win over the kids, upstage the Rival, marry the Boss and look iconic doing it.

You're underqualified, overdressed, and completely irresistible. Play as a chaotic nanny who stumbles into the home of an emotionally repressed wealthy single parent and turns the whole household upside down.

SETUP

Household:

You must play as the Nanny, but the household must include the following:

You: The Nanny

- Young Adult or Adult
- Must have one trait from each category:
    - Chaotic: (Clumsy, Lazy, Erratic, Kleptomaniac, Hot-Headed, Cringe, Nosy)
    - Charming: (Romantic, Outgoing, High Maintenance, Goofball, Bro, Lovebug, Self Absorbed)
    - Wildcard: Any trait of your choice
- Aspiration: World-Famous Celebrity, Super Parent, or Villainous Valentine
- Must have the Hungry for Love Lifestyle
- No full-time career. You may only join a career once unlocked
- Start with §0, a Bad Reputation, and no Fame.

The Boss

- Adult or Elder
- Traits: Must have the Romantically Reserved trait
- Aspiration: Successful Lineage
- Must have the Workaholic Lifestyle

- Must be romantically involved with the Rival
- Relationship with Nanny must be neutral or lower (no romance bar)
- Give them a High Position (Lvl7+) in any career of your choice

The Rival

- Young Adult or older
- Traits: Any of Ambitious, Proper, Self-Absorbed, Jealous, Overachiever, Nosy, Mean, Snob, Hates Children or Goofball
- Aspiration: Chief of Mischief or Mansion Baron
- Must have Romantic Interest, Partner or Engaged relationship with the Boss
- Must have a Negative Relationship with the Nanny
- Must have a Negative Relationship with the Butler
- Give them a Lvl5 psotion in the same career as the Boss

The Butler

- Could be hired through the “Hire Butler” service (Vintage Glamour pack) or replaced for either a play-pretend butler, a family member or friend, etc.
- Traits are generated randomly—do not select or customize. You can however edit their Appeareance.
- Must be kept in the household throughout the challenge
- Must start with a neutral relationship with the Nanny and a negative relationship with the Rival

The Children

- 2 to 4 Sims (any combo of infants, toddlers, children and/or teens)
- At least two different age groups must be represented
- One child must start with Disliked or Red Sentiment toward the Nanny
- All children must have Disliked relationships with the Rival

House Requirements

To start the challenge, your household must live on a **Lot with the following minimums**:

Requirement	Description

Mansion or Large Home	At least 4 bedrooms, 3 bathrooms
Distinct Nanny Quarters	Must include private bedroom & en suite (later upgradable with your own funds)
Children's Bedrooms	Age-appropriate and decorated accordingly
Butler's Space	Must have a private room or suite (servant's quarters vibe)
Indoor or Outdoor Entertainment	E.g., piano, karaoke, pool, yoga mat, sauna or telescope
Office or Studio	For Boss's career purposes or a Fame Room
At Least 2 Excessive Décor Items	Anything gaudy, golden, or impractically fabulous

Set up Nanny's suite as a humble, tacky guest room at first. Upgrade over time as you complete stages and earn trust.

Finances

- **Household Funds:** §750,000
- **Nanny's Personal Funds:** §0 (must be transferred out or held via another Sim until unlocked). Nanny can only use her own funds for buying new outfits, gifts for the kids or boss, room renovations and any other personal purchases and expenses, unless stated otherwise. You do not need to add any more money or use a personal banking mod, you can just start accessing the funds according to your progress.

Strongly Recommended

Salon, Retail or ThriftTea

Set up a **mall, vintage store, beauty bar or boutique** using *Get to Work*, *High School Years*, or *Businesses and Hobbies*.

Nanny can visit to "shop" for new outfits every time you unlock wardrobe upgrades. Set up changing rooms and photo ops for selfies and Simstagram posts.

WARDROBE PROGRESSION (Closet System)

The Nanny's outfits represent her personal journey and emotional wins.
You begin glamorous but restricted and unlock outfits as you progress.

- You begin with 3 outfits in each category
- You will unlock new outfit slots by completing gameplay milestones.

Closet Unlock Rules

Trigger	Unlock
Start of Stage 3	+1 outfit in all categories (total 4 per category)
Start of Stage 4	+1 outfit in all categories (5 total—full closet)

- ☐ Family Photoshoot

Level unlocks:

- Closet Update: Refresh all 8 categories one final time
- Redecorate Master Bedroom.

Failure

GLOBAL FAILURE CONDITIONS

These apply from the moment you set foot in the house to the moment you say "I do"—or don't. Break one, and the challenge ends immediately. There is no Season 2.

You're dead

That's it, c'est fini

Household Collapse

The game said no. You weren't ready.
Challenge ends if:

- A child is taken by Social Services
- OR a child runs away and has the authorities return them (Delinquent Teens Mod)

The Rival Wins

They played the long game and it worked.
Challenge ends if, before you're engaged to the Boss:

- The Rival becomes engaged or married to the Boss
- OR has Positive Sentiments with two or more children
- AND improves their relationship with the Butler to Neutral or higher
- AND still lives in the household

FIRING CONDITIONS

You Lose the Children

The kids don't just dislike you—they reject you completely.
You're fired if:

- All children have a Friendship Level below 25
- AND each has either a Negative Sentiment or the Disliked relationship status.

Romance Is Dead

The Boss has moved on and left you behind.
You're fired if:

- From stage 2 and on, your Romance bar with the Boss is at 0%
- AND Friendship drops below 40

Public Scandal, No Recovery

You're not famous. You're infamous. And the family doesn't forgive.
You're fired if if:

- You reach Awful Reputation
- AND you have less than 2-Star Fame
- AND at least one child or the Boss develops a Negative Sentiment as a result of your reputation, cheating, or scandal

FIRING & TERMINATION

You get two firings. On the third, the challenge is over.

First Fire

- Move out for 7 in-game days
- Change 1 random trait via potion
- Return with a renewed wardrobe

Second Fire

- Change 2 random traits via potion
- Change your name and hair color
- Rebuild all child Friendships to ≥30 before moving in

Third Fire (or any global failure condition)

- Game over. *You are no longer the nanny.*
