You can see me? Please, I must know how I died in Shadow Wolf Mysteries 5: Tracks of Terror Collector's Edition PC Game! Then my soul can finally rest.

Neck bruises indicate strangulation, likely by a hangman's noose. Medieval torture methods often involved piercing the hand. His clothes are torn and muddy. He was fleeing someone. His ring bears the De Lupe family crest.

I remember! They blamed me for murder, but I was innocent! I tried to run, but they caught me and tortured for days until I confessed. I was sentenced to death by hanging. Download Shadow Wolf Mysteries 5: Tracks of Terror Collector's Edition Game for PC for free and save me in this Adventure Hidden Object Puzzle! Bless you, Detective! I'm free!

The Collector's Edition includes:

- Play the bonus chapter – more werewolves are waiting!
