

T for Teens Adventure

Harry was staying at his terrible familys house or the summer. When he was suddenly woken up by a loud noise at his window.

He looked down onto the street to see Bellatrix Lestrange standing below, holding a pineapple.

She was wearing a pair of shiny black disco pants circa 2012 zoeella (author's note: or sandy from grease). Because she was slytherin she also was wearing a BRIGHT GREEN tshirt with GOOD CHARLOTTE's logo on. Finally to finish off the ensemble she had a black, glittery witch's hat. "OH NO, it's an evil witch!!@@@!" yelled Harry and jumped out of bed and out the window at her. "You killede my godfather" "Now I'm going to kill you"

Bellatrix opened her arms and caught Harry in the lift from Dirty Dancing (AN: best film everrrrrr)

Her hat falling to the ground as she held Harry high in the air.

Harry pulled his wand out of his back pocket and aimed it at the evil evil witch

"Azada...!"

"NOOOOO!" a deep voice boomed, as a large man emerged from behind a bush

"Whatttt...!" stuttered Harry

"Don't do it Harry, you'll regret it being as bad as Bellatrix"

Dwayne "The Rock" Johnson?!" Harry exclaimed

"THE ROCK?@!! You're my fav wrestler/actor" shouted Bella. "NO way, mine too" said Harry.

“We have so much in common 0.0”

Dwayne was wearing a bright pink cloak that trailed three feet behind him along the floor. Bella threw Harry to the floor, over Dwayne's head so she could reach her fav actor first.

“Get out of it Potaaaa. I killed Serious Black xoxox”

The Dwyane caught Harry, his sensual arm muscles rippling in the street lighting as he caught the small boy around the waist. He gently placed Harry onto the ground, Harry a whole three feet shorter than the Dwyane. He pulled Harry into a giant hug whilst Bella stared angrily at them, steam coming out of her nose with jealousy,

Suddenly, two people appeared in front of Bella. It was Serious Black and me (KIM). I was a tall, beautiful woman. Very, very talk. “We're here to protect you, Harry!” I yelled.

Kim was wearing black ripped tights, green converse and had green streaks in her hair because she was goth! It was her mission in life to protect Harry Potter so she could go back to Hogwarts with him and meet Draco Malfoy/

*AC: If you don't like dwyane the rock johnson i don't know what is wrong with u. His new film with sandra bullocks was excellent. Also like the rock exists exist within the harry potter universe because daniel radcliffe was in that film. So don't come at me!!!! THE rock DCEFD**DEFINELY WOULD BE IN THE HARRY POTTER EERIES!!! I KNO IT'S BRITISH BUT I'M SURE HE COULD DO A BRITISH ACCENT!!!!!!!!!!!!!!!!!!!!***

“I JUST WANT to meet Dwayne because he's ur boyfriend” I said.
“Yeah, we're here to protect you,” said Serious. “From heartbreak. And Bella” and then he pounced Bella.

"NO HARRY" Yelled Bella, don't listen to them!!" I am here to tell you some very important IMPORTANT information. Look, uoi can trust me..."

As before Harry's eyes, she transformed into his owl Hedwig, and squawked loudly, asking him for bacon.

"WHA!!!" said Harry. "Serious!!!! Ur aliveeee!!!!!!!!!!!" he ejaculated.

"Yes HARRY!!! But also bellatri like just transformed???"

"Oh yeah" said Harry finally relsiign

"I DON'T HAVE NY ABCON"!!!! He screamed, wielding the pineapple like a weapon

"Harry, I'm here to invitie you to a wedding" yelled Dumbledore. It's a 4-way wedding between fJusting Finch flettly and Michael corner, Lisa Turpin and Silly-Ann purlins, Blaise Zmbi;ni and themselff, AND ME AND THE ROCK!!!"

HARRY ROLLED his eyes and threw himself on the ground, kicking and screaming. "But i don't want to go unless i have my Dracy-pool!!! I can't go to a wedding on my owwwwwwwwn" and he threw the pineapple with extreme force at DSubledore's stupid old man head.

- Dumbledore leaned backwards Matrix style and dodged the projectile pineapple with ease.
- "But Harry!! You can't miss ur own parents wedding!!!!" Dumbeldore claimed
- "My parents???? James was my parent"
- "And Lily" pointed out Lupin, appearing from behind the Bush that The ROck exited earlier, his hair suspiciously ruffled
- "Oh yeah, Her" saidd Harry remembering his mum existed
- "No!" said dumbelldore calmly (angrily) "THEY AREN'T YOUR REAL PARENTS"! It was a trick to throw off Voledmort. Your real parent sare.....

Snape and the giant squid

"Oh...." "Wow" "Gosh" :\' "Blimey" "Cor" said the people who were there.

"That's.... Uhhhhhhhh"

"Good for them. I always hoped those tow would make it."

"They're renewing there vaws at the wedding. Now lets go" said dumbledero. And they all apparated to the lake.

They all assembled long the shore of the lake, apart from the squid who lounged at the side eating the pineapple.

First up was Blaise. They stood alone, looking inton an ornate mirror and crying with happiness.

"Dear Blaise," they began "you are the most fabulous, badass character in the Harry Potter series. You literally carry this shit on your back. No-one would be anything without you"

And they kissed the mirror to riotous applause

Next up was the giant squid and snake!!

"Dear giant squid' said snake "I vow to love every inch of you. Including but not especially the tentacles."

Harry smiled, realising for the first time that he too had tentacles, how had he ever noticed them before.

"Harry I thought you knew" Hermione pointed out. "Like they're kind of obvious?"

"I do" said Snake, and the giant squid wrapped his tentacles around him, dragging him slowly below the water, drowning him slowly, watching the life leave his eyes and then releasing his body letting it float to the top of the water where everyone cheered.

"Nice. Said everyone. Snake sure does suck."

"Now it's time for a surprise wedding!" said Draco. "Now that you know who your parents are they can walk you down the aisle"

The squid and snake's corpse walked Harry down the aisle.

"Draco, I've always loved you so much. I like how much you wine when you lose at quidditch and how much you bully my friends and how much you just kind of suck as a person."

"Thanks"

"Let's live together forever"

"Cool"

And they did.

Party in the USA by Miley Cyrus began to play and they all danced.

The end.
