

African Scramble Debrief Questions

As a group, answer the following questions. Every person in your group must write the answer to each question. Write in complete sentences. Each answer should be at least three sentences.

1. In what ways do you think our simulation may be similar to an actual negotiation process like what happened in Africa? Think of at least three.
2. Who “won” the Berlin Conference in our simulation? Who “lost”? Who was noticeably absent from the conference? (Support your answers with facts)
3. What were the results of the actual Berlin Conference? Who “won”? Who lost? Who was noticeably absent from the conference?
Use information from [this site](#) (scroll down to the third and fourth pages, “The Berlin Conference” and “Results of the Berlin Conference”) to help you answer the question. (Support your answer with facts)
4. Using information [from this site](#) (in *BOTH* the “About” section AND the video), discuss/summarize the challenges and other issues colonization posed on people living in Africa.
5. Do you think the European colonization will add or take away from Africa’s ability to sustain itself? What were some of the long-term effects of European colonization? List two or three ideas to support your point.
