上上下下 ビーエービーエー
上上下下 ビーエービーエー
ハイジャンプからのローキック
ピヨらせてからのThe END
これが大人だ見とけよクソガキ
大人の本気見せるぜ

「10連勝キタコレ！！」
「ゲームぐらいで喜んでガキかよ....。」

「いや、大人だよ。一応。そもそもお前にとって大人の男ってなに？」

「自立心、包容力、自制心、冷静沈着、寛容」

「なにその5箇条、仙人かよ」

「そのうち俺だってそうなる」

「二十歳超えても人間大して変わらないよ。俺が証明済み」

「俺はお前とは違う」

大人気ない

信じられない

お前とは無理！

一生かかったってわかりあえない

わかりたくない

ハイザコザコザコザコ

ムダムダムダムダ

わかってもらえなくてケッコー

大人気なくても

お、と、な、だ

はい、投げ抜け、A級入りまーす

「くそっ！」

大人になりたい

大人になれない

俺とお前は違うだろ

俺もお前も一緒だろ

違う！

そうだ！

違う！

そうだ！

大人になりたい

大人になれない

何かが変わるの？

何も変わらないの？

YES

NO

NO

YES

だったら自分らしく

生きようぜ

その先の先の先の先に何か見えるように

息苦しい嘘は

辞めようぜ

自分だけの大人を探せ

「監督さんが、嘘で固めたお前を好きになると思う？」

「それは、、、」

「はい、隙アリ」

Up, up, down, down, B A B A
Up, up, down, down, B A B A
A high jump and a low kick
After you stop your chirping
I'll let you see for yourself, you shitty brat
This is an adult's resolve!

Ten consecutive victories, I've been waiting for this!
Enjoying games is for kids.
No, it's for adults. More or less. By the way, what do you think an adult even is?
Independent, open-minded, self-collected, calm, and tolerant.
What's with that five point list, are you a hermit.
If I need to be one someday, it'll happen.
People don't just become adults at the age of twenty. I'm living proof of that.
I'm different from someone like you!

It's childish
I won't believe it
You're impossible
Even in a lifetime, I can't understand enough to tell you...
I don't want to understand!

Yes, you pest, pest, pest, pest
It's useless, useless, useless, useless
Even if we don't understand, all of this is pretty
Childish
What an adult is—
“Well, I'm going to throw this A-grade bomb~!”
“Shit!”

I want to be an adult!
I can't be an adult!
You and I are different!
No, we're actually the same!
Wrong!
Right!
Wrong!
Right!

I want to be an adult!
I can't be an adult!
What should I change?
What if you don't change?
Yes!
No!
No!
Yes!

Then we'll have to find for ourselves
Our own way of life
And beyond that, and that, and that, we'll be able to see
Those suffocating lies
Let's stop doing that and
Find your own way to be an adult

"Do you want the Director to fall in love with only an outer shell made of your own lies?"
"That's..."

Well, we may never bridge the gap between us.
