## **Six-Month Action Plan for Volunteers**

## **Volunteer Name:**

## **Goals for the next six months:**

What is your fundraising goal?

•

What is your goal for the number of community members you plan to contact?

•

What is your goal for the number of community members you plan to reach?

•

## Month-by-Month

| Month | Room to Read holidays or<br>campaigns during this month and<br>what I will do to support them<br>(You can find the list of those <u>here</u> .) | Who I will reach out to during this<br>month and how I will invite them to<br>partner with Room to Read |
|-------|-------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------|
|       |                                                                                                                                                 |                                                                                                         |
|       |                                                                                                                                                 |                                                                                                         |
|       |                                                                                                                                                 |                                                                                                         |
|       |                                                                                                                                                 |                                                                                                         |
|       |                                                                                                                                                 |                                                                                                         |
|       |                                                                                                                                                 |                                                                                                         |

Steps to include in my next Action Plan:
